When he got to school, Mrs. _____₁ asked, “_____₃, where is your _____₂?” _____₃ had forgotten his _____₂!

He didn’t tell the teacher the truth. Instead, he said, “I had my _____₂ when I left home, but unfortunately, our _____₅ crashed on the way to school. I jumped out, holding my _____₂, but a _____₆ swooped down and snatched it out of my hand. It dropped the _____₂ into _____₇, never to be seen again.”

“_____₃,” Mrs. _____₁ said. “How do you expect me to believe that?”

A _____₆ would never steal your _____₂. Everyone knows they only eat _____₈.”
